of Glasgow

ADJUSTED ENTRY REQUIREMENTS FOR 2026 ENTRY

**WORLD
CHANGERS
WELCOME**

**ONE OF THE TOP 100
UNIVERSITIES IN THE
WORLD**

**MORE THAN 35,000
STUDENTS FROM
140 COUNTRIES**

**FOUR-YEAR DEGREE
PROGRAMMES OFFERING
FLEXIBILITY AND CHOICE**

**OPPORTUNITIES TO STUDY
ABROAD DURING YOUR
DEGREE**

**A MEMBER OF THE
RUSSELL GROUP OF
RESEARCH-INTENSIVE UK
UNIVERSITIES**

**WORLD TOP 20 FOR
SUSTAINABILITY**

WE SEE POTENTIAL

The University strongly believes all applicants should have an equal chance of entry regardless of background or life circumstance and we are committed to identifying your full talent and potential.

To enable this, we operate a system of contextualised admissions for applicants living in Scotland. This means we consider all circumstances faced by individual applicants, which may have prevented you from meeting our standard entry requirements and make adjusted offers of entry accordingly.

A SUPPORTIVE COMMUNITY

From the moment you start your studies you'll be taught by dedicated and passionate academics in a flexible and innovative learning environment.

To help you develop the ability to direct your own learning, you will experience a range of teaching methods.

- Lectures are large sessions led by a lecturer, which give a foundation for gathering information about your subject.
- Tutorials are smaller group meetings led by a tutor, which offer in-depth analysis of lecture information.
- Seminars are larger group sessions that allow for more intensive discussions.
- Practicals or laboratories are hands-on sessions where you will develop subject-related skills.
- Fieldtrips and placements help you develop and extend practical skills with a focus on group projects, data collection, problem solving and presentations.

HERE TO SUPPORT YOU

We have many student services available with staff and students on hand to help, including study support, peer-to-peer support, financial assistance, a dedicated adviser of studies, and physical and mental health support.

glasgow.ac.uk/students/supportservices

FINANCIAL SUPPORT

We believe in supporting our students and offer a wide range of financial help such as our Talent Scholarship and Travel Bursary.

glasgow.ac.uk/scholarships

GET INVOLVED

Joining student clubs and societies is a great way to learn new skills and make friends. At Glasgow there are more than 300 clubs and societies, as well as many volunteering opportunities.

We have two student unions which host a variety of events, gigs and club nights as well as a range of eateries. The unions also run a range of activities for Freshers' Week to help you settle into life at Glasgow.

Our sports facilities include a 25m swimming pool, cycling studio, cardio and strength suites, squash and tennis courts, as well as hundreds of group exercise classes each month.

[glasgow.ac.uk/
studentlife](https://glasgow.ac.uk/studentlife)

WIDENING PARTICIPATION

PRE-ENTRY PROGRAMMES

Applicants made an adjusted offer will successfully complete the credit rated University of Glasgow pre-entry programme relevant to the degree area to which they are applying.

Full details are included in each subject table (from pages 8–15).

Programmes include:

- Top-Up Programme (completed during school year)
- Summer School (completed in June/July over 4 weeks)
- Reach (Access to Dentistry, Law, Medicine, Veterinary Medicine) (completed during school year)
- Access to a Career (Accountancy & Finance, Teaching, Engineering) (completed during school year)

- University Experience Week and Sutton Trust Summer School (completed in June/July)

Successful completion of a programme may lead to an adjusted offer of entry. Our research shows that students who successfully complete one of these programmes perform at a higher standard than comparable students at the University.

We may also accept successful completion of a comparable pre-entry programme at another university instead of a University of Glasgow programme.

You can find full details of our pre-entry programmes at glasgow.ac.uk/study/wp.

[glasgow.ac.uk/
study/wp](https://glasgow.ac.uk/study/wp)

WIDENING PARTICIPATION APPLICANTS

Applicants who are **guaranteed** an adjusted offer are those who can meet the adjusted entry requirements in S5 or S6 and:

- Live in a SIMD decile 1-2 (MD20)
- Are care-experienced
- Are estranged from family and living without family support
- Are seeking asylum in the UK
- Have refugee status
- Are a carer (provide unpaid care).

Applicants in SIMD deciles 3-4 (MD40) are **prioritised** for an adjusted offer. This means MD40 applicants are considered separately from our standard offer applicants and offers are made to as many as possible based on our funded places. MD40 applicants are not eligible for the Gateway to Medical Studies Programme.

Use of Summer School subject results in lieu of SQA Higher Grade results for applicants for 2026 entry

The University of Glasgow will accept subjects successfully passed in the Summer School in lieu of Higher SQA subjects*. This means, for example, an adjusted offer of BBBB will be accepted as either of the following combinations:

- four Higher Grades
- two Higher Grades and two Summer School subjects
- three Higher Grades and one Summer School subject.

*Due to high demand, it may not be possible to do this for MD40 applicants to Computing Science, Social Sciences, Life Sciences, Law or Accounting & Finance

To check if you live in a MD20/40 postcode visit: glasgow.ac.uk/prioritypostcodes.

HOW TO APPLY

HOW DO I APPLY?

If you are seeking full-time study you must apply through the Universities & Colleges Admissions Service (UCAS). See ucas.com.

You'll need academic qualifications, a personal statement and a reference – we call these our Entry Requirements. For some specific degree programmes you may also need to:

- come to an interview or audition
- sit an admissions test
- provide evidence of relevant work or voluntary experience.

WHEN DO I APPLY?

UCAS closing dates are:

- Tuesday, 15 October 2025 if applying to Dentistry, Medicine, Veterinary Medicine or applying to Oxford or Cambridge
- Wednesday 29 January 2026 for all other degree programmes for UK students.

Check ucas.com for your key dates.

WHAT SQA HIGHER AND ADVANCED HIGHER RESULTS DO I NEED?

The qualifications and grades you need vary by degree programme and are outlined in the following tables. Depending on your personal circumstances, you may receive an adjusted offer of entry.

We accept Highers and Advanced Highers in all SQA subjects and count a Higher and Advanced Higher in the same subject as two separate qualifications, e.g. Advanced Higher History at Grade B and Higher History at Grade A will be regarded as two A Grades in two Highers. However, please note that you must have a minimum of four different subjects included within your Higher/Advanced Higher qualifications.

We accept Foundation Apprenticeship/Personal Development Award qualifications as the equivalent of an A grade in one Higher subject, for all degree areas, except, Dentistry, Medicine, Veterinary Medicine and Veterinary Bioscience.

ARE ADDITIONAL REQUIREMENTS THE SAME FOR STANDARD AND ADJUSTED ENTRY REQUIREMENTS?

No, these differ. Adjusted offer additional requirements are listed in this booklet. Standard offer additional requirements can be found for each degree at: glasgow.ac.uk/undergraduate/degrees.

DO YOU ACCEPT HNCs AND HNDs?

Higher National Certificates (HNCs) and Higher National Diplomas (HNDs) may allow you to enter either the first or second year of a degree at Glasgow, dependent upon the HNC/HND programme and the degree programme you want to study at the University. You will need to achieve the stated entry requirements to be considered for an offer, which may include an SQA Higher.

For more details see: glasgow.ac.uk/study/wp/adultreturners.

The University also runs bespoke HNC courses for some subjects, in partnership with several colleges in Glasgow and the west of Scotland, which guarantee entry into year 2 if successfully completed. For more details see: glasgow.ac.uk/hncarticulation.

If you have any queries, please email: widening-access@glasgow.ac.uk.

HOW SOON WILL I RECEIVE A DECISION?

We respond to all applications as soon as possible. For UK students we aim to respond within published UCAS timescales. If we can make you an offer, you will receive either an unconditional or conditional offer.

IS DEFERRED ENTRY POSSIBLE?

Deferrals are not considered for Dentistry, Medicine, Nursing and Veterinary Medicine and generally not considered for Education programmes. In other cases it may be possible but it is not granted automatically. Contact our Admissions team for information.

Accounting & Finance (BAcc) and Finance (BFin)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABBB S5 minimum for consideration	AAAAAB
Adjusted Higher requirements: SIMD deciles 1-2 (MD20), care experience, estranged, carer, asylum seeker, refugee	ABBBB guaranteed offer if meet additional requirements	No minimum at S5	ABBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4 (MD40)	AAABB / ABBBBB prioritised offer if meet additional requirements considered at BBBBB	ABB S5 minimum for consideration (if not participating in Access to a Career Programme)	AAABB / ABBBBB prioritised offer if meet additional requirements. Considered at BBBBB
Adjusted Additional Requirements	<p>Higher Mathematics at Grade B and Higher English or a Humanities subject at Grade B.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants who successfully complete the Access to a Career in Accounting Programme also have to attend and pass either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants for combinations that include Mathematics or Statistics, see Sciences/Life Sciences table on page 13 for entry requirements. Applicants with less than Advanced Higher Mathematics at Grade B must also successfully complete Maths in Summer School (including those taking Top-Up).</p>		

Arts (MA) (excluding Psychology) and Divinity (BD)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	BBBB for consideration	AAAAB Higher or AAAB Higher+B Advanced Higher
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBBB prioritised offer if meet additional requirements Considered at BBBBB	No minimum at S5	AABB / ABBBBB prioritised offer if meet additional requirements. Considered at BBBBB
Adjusted Additional Requirements	<p>Higher English at Grade B and a Higher Humanities or Language subject at Grade B.</p> <p>Applicants who wish to study Mathematics, Statistics or Computing Science, or any degree combination that includes these subjects, must also meet relevant requirements in the Science (BSc) table on page 13.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants wishing to study MA Music will be required to have either Higher Music at Grade B or above or ABRSM Grade 5 Theory.</p> <p>Please note BMus Music has separate entry requirements, detailed in the BMus table on page 11.</p>		

Community Development (BA)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	AAB/ABBB guaranteed offer if meet additional requirements	No minimum at S5	AAB/ABBB cumulative grade requirement for S6 offer holders
Standard Additional Requirements	This is a work-based learning programme therefore all applicants must have at least two days per week of paid or unpaid work in the broad field of community development. Applicants with no formal qualifications are encouraged to apply on the premise they have extensive experience within a community development setting.		
Adjusted Additional Requirements	There are no adjusted additional requirements for this degree programme.		

Dentistry (BDS)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	AAAAB	AAAAB + BB Advanced Higher
Adjusted Higher requirements: SIMD deciles 1-2 (MD20), deciles 3-4 (MD40), care experience, estranged, carer, asylum seeker, refugee	No entry from S5	AABB (must include Higher Chemistry and Biology/ Human Biology at Grades A/B or B/A)	AAABB and B Advanced Higher Biology or Chemistry
Adjusted Additional Requirements	<p>If Higher Biology/Human Biology or Chemistry is attained at grade B then Advanced Higher is also required at grade B. Higher Maths or Physics and National 5 English at B. Three subjects in S6 to include one Advanced Higher in Biology or Chemistry.</p> <p>Applicants who have attained the above grades and have a UCAT score which is no more than 10% below the standard threshold will be considered for interview.</p> <p>Successful completion and grades in the Reach Programme.</p>		

Note: UCAT: All applicants to Medicine and Dentistry must complete the University Clinical Aptitude Test by the deadline date in the same year as application. The UCAT score together with meeting STANDARD and ADDITIONAL Entry Requirements will be used to select applicants for interview. The UCAT score cut-off points vary from year to year. Information on how to sit the test can be found at www.ucat.ac.uk.

The Dentistry (BDS) Person Specification document outlines all entry requirements and UCAT information for applicants; this can be found at glasgow.ac.uk/schools/dental/undergraduate.

Engineering (BEng)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	AABB S5 minimum for consideration	AAAAA
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements, except Software Engineering ABBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBBB prioritised offer if meet additional requirements considered at BBBBB	No minimum at S5, except Software Engineering ABB S5 minimum for consideration	AABB / ABBBBB prioritised offer if meet additional requirements. Considered at BBBBB
Adjusted Additional Requirements	<p>Higher Mathematics AND Higher Physics or Engineering Science – both at Grade B.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants who successfully complete the Access to a Career in Engineering Programme also have to attend and pass either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants to Electronic & Software Engineering: BEng: Higher Mathematics and Physics or Engineering Science – both at Grade B; BSc: Higher Mathematics and Computing Science (if Higher Mathematics Grade A is not achieved in S5). Applicants must also meet the requirements for Computing Science in the Science (BSc) table on page 13.</p> <p>Electronics with Music must also have Higher Music or Music Technology or Grade 6 ABRSM Practical and Theory.</p>		

Environmental Science & Sustainability (BSc) (Dumfries Campus)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB cumulative grade requirement for S6 offer holders
Standard Additional Requirements	A minimum of one (two are recommended) Highers from Biology, Biotechnology, Chemistry, Computing Studies, Geography, Geology, Human Biology, Information Systems, Managing Environmental Resources, Mathematics or Physics.		
Adjusted Additional Requirements	There are no adjusted additional requirements for this degree programme.		

Law (LLB)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	AAAAB S5 minimum for consideration	AAAAA Higher or AAAA + BB Advanced Higher
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	ABBBB guaranteed offer if meet additional requirements	No minimum at S5	ABBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AAABB / ABBBBB prioritised offer if meet additional requirements Considered at ABBBB	ABB S5 minimum for consideration (if not participating in the Reach Programme)	AAABB / ABBBBB prioritised offer if meet additional requirements. Considered at ABBBB
Adjusted Additional Requirements	Higher English at Grade B. LNAT at cut-off score or better (see note below). Successful completion and grades in the Reach or Top-Up Programme.		

Note: LNAT: All applicants to LLB degrees (with the exception of the Accelerated LLB) are required to take the Law National Admissions Test by 29 January 2026. The LNAT is run by a consortium of UK universities and comprises an on-screen test (95 minutes) and essay questions (40 minutes). It is designed to assess verbal reasoning skills and command of written English. The LNAT score together with the STANDARD and ADDITIONAL Entry Requirements will be used to select applicants for offer. The LNAT score cut-off points vary from year to year. Information on how to sit the test can be found at www.lnat.ac.uk.

Medicine (MBChB)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	No entry from S5	AAAAB	AAAAB Higher at end of S6 and BB Advanced Higher.
Adjusted Higher requirements: SIMD deciles 1-2, deciles 3-4, care experience, estranged, carer, asylum seeker, refugee	AAABB/AAAAC by end of S5 + BB Advanced Higher. (The C Grade cannot be in Chemistry.) A graded adjustment to an applicant's UCAT score will be applied. This must make the applicant's score equal to or above the UCAT threshold to be considered for interview. Applicants who are successful at interview will be made conditional offers based on S6 results.		
Adjusted Additional Requirements	S6 Conditional Offers require applicants to achieve two Advanced Highers at Grade B. Must have Higher Biology and Chemistry and either Higher Mathematics or Physics. Must have National 5 English at Grade B or Higher ESOL at Grade B. All additional courses studied in S6 must be passed. UCAT (see note below). Interview. Successful completion and grades in the Reach Programme.		

Note: UCAT: All applicants to Medicine and Dentistry must complete the University Clinical Aptitude Test by the deadline date in the same year as application. The UCAT score together with meeting STANDARD and ADDITIONAL Entry Requirements will be used to select applicants for interview. The UCAT score cut-off points vary from year to year. Information on how to sit the test can be found at www.ucat.ac.uk.

Gateway to Medical Studies (GMS, pre-Medicine Foundation Year Programme)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	N/A	N/A	N/A
Adjusted Higher Requirements: SIMD deciles 1-2 (MD20), care experience, estranged, asylum seeker, refugee	AABB	N/A	AABB
Adjusted Higher Requirements: SIMD deciles 3-4 (MD40)	N/A	N/A	N/A
Adjusted Additional Requirements	<p>Three Higher Grade passes must be sciences. Science Highers must include Biology and any two of Chemistry, Physics or Maths. Candidates in S6 will be expected to pass all courses undertaken in their S6 programme of study, with a minimum of grade C in any Advanced Highers taken.</p> <p>Please note that the programme is aimed primarily at S6 students. Individual consideration for S5 entry may be given only if a school does not offer Advanced Higher subjects in S6. Please contact us in advance of application should this be the case.</p> <p>Applicants must have minimum of either:</p> <ul style="list-style-type: none"> • International English Language Testing System (IELTS) 6.5, with no sub-test under 6.0. • National 5 English or ESOL Grade B. • Higher English or ESOL, Grade C. <p>Interview.</p> <p>Eligibility for the programme as outlined above or must meet two of the three following requirements:</p> <ul style="list-style-type: none"> • Completion of the Reach Programme • Resident on a west/north-west Scottish island and attends a remote and rural target school • Carer. 		

Music (BMus)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABB S5 minimum for consideration	AAAA
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBBB prioritised offer if meet additional requirements Considered at BBBBB	No minimum at S5	AABB / ABBBBB prioritised offer if meet additional requirements. Considered at BBBBB
Adjusted Additional Requirements	Higher Music at Grade B or above OR Associated Board of the Royal Schools of Music (ABRSM) Grade 5 Theory. Required performance level is Merit in Grade 8 ABRSM practical exams. Audition/Portfolio. Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.		

Nursing (BN)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	No minimum at S5	AABBB
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBB prioritised offer if meet additional requirements	ABB S5 minimum for consideration	AABB / ABBBB prioritised offer if meet additional requirements. Considered at BBBB
Adjusted Additional Requirements	Two Higher Science subjects from Chemistry, Biology/Human Biology, Physics or Mathematics. Minimum of National 5 Chemistry, Mathematics and English at Grade B. If no Higher Mathematics must have National 5 at Grade B. Interview. Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.		

Psychology (BSc, MA(SocSci) or MA)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	AAABB at S5 will be considered	S6 entrants will have AAAAA at Higher. B at Advanced Higher is equivalent to A at Higher.
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	ABBBB guaranteed offer if meet additional requirements	No minimum at S5	ABBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AAABB / ABBBBB prioritised offer if meet additional requirements Considered at BBBBBB	ABB S5 minimum for consideration	AAABB / ABBBBB prioritised offer if meet additional requirements. Considered at BBBBBB
Adjusted Additional Requirements	Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School. All applicants who do not have Mathematics at Higher must have National 5 Mathematics at Grade B. Applicants to BSc: Two Higher Science subjects (or Mathematics plus one Science subject) – both at Grade B. Applicants who wish to study Mathematics, Statistics or Computing Science, or any degree combination that includes these subjects, must also meet the relevant requirements in the Science (BSc) table on page 13. Applicants to MA Arts: Higher English and a Higher Humanities or Language subject – both at Grade B. Applicants to MA (SocSci): Higher English and a Higher Humanities subject at Grade B. Applicants who wish to study a joint programme that includes Music must have Higher Music at Grade B or ABRSM Grade 5 Theory.		

Science/Life Sciences (BSc)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABBB S5 minimum for consideration, except Geography and Chemistry BBBB and Computing Science AAABB for consideration	AAAAA Higher or AAAA Higher + B Advanced Higher except Geography AAAB and Chemistry ABBB and Computing Science AAAAAA
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements, except Computing Science ABBB guaranteed offer if meet additional requirements.	No minimum at S5	BBBB guaranteed offer if meet additional requirements, except Computing Science ABBB guaranteed offer if meet additional requirements.
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBB prioritised offer if meet additional requirements Considered at BBBB	No minimum at S5 except Computing Science/Life Science ABB S5 minimum for consideration	AABB/ABBBB prioritised offer if meet additional requirements, except Geography ABBB and Chemistry BBBB. All other subjects considered at BBBB.
Adjusted Additional Requirements	Applicants to Life Sciences degrees (see note below) require Higher Biology/Human Biology or Chemistry at Grade B. Applicants to Biochemistry require Higher Chemistry at Grade B only. Applicants to Chemistry, Geographical and Earth Sciences and Physics must have at least TWO Highers in relevant Science subjects. Specific subject requirements detailed below. Applicants to joint degrees must meet the entry requirements of both subjects. Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School. Applicants to Physics, Theoretical Physics or Astronomy require Higher Mathematics AND Physics – both at Grade B. Applicants to Chemical Physics require Highers in Chemistry, Physics AND Mathematics at Grade B. Applicants to Chemistry, Materials Chemistry or Chemistry with Medicinal Chemistry require Higher Mathematics and Chemistry - both at Grade B. Applicants to Computing Science and Software Engineering must have Higher Mathematics at Grade A, Computing (if Higher Mathematics A Grade not achieved in S5) and must also successfully complete Maths in Summer School (including those taking Top-Up). Applicants to Electronic & Software Engineering must meet the requirements for Engineering (BEng). Applicants to Mathematics: BSc: Higher Mathematics and a Higher Science subject both at Grade B. MA/MA (SocSci): Higher Mathematics and a Higher Humanities subject both at Grade B. Applicants with less than Advanced Higher Mathematics at Grade B must also successfully complete Maths in Summer School (including those taking Top-Up). Applicants to Accounting & Mathematics, Accounting & Statistics, Finance & Mathematics or Finance & Statistics must have Higher Mathematics at Grade B and a Science subject at Grade B. <i>Applicants for combinations that include Mathematics or Statistics with less than Advanced Higher Mathematics at Grade B must also successfully complete Maths in Summer School (including those taking Top-Up).</i>		

Note: Life Sciences degrees: Anatomy, Biochemistry, Genetics, Human Biology & Physiology, Immunology, Marine & Freshwater Biology, Microbiology, Molecular & Cellular Biology, Molecular & Cellular Biology with Biotechnology, Molecular & Cellular Biology with Plant Science, Neuroscience, Pharmacology, Sport & Exercise Science, Zoology.

Social Sciences (excluding Psychology) (MA (SocSci))

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	(AAAB S5 minimum for consideration)	AAAAAA
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	ABBBB guaranteed offer if meet additional requirements	No minimum at S5	ABBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AAAB/ABBBB prioritised offer if meet additional requirements	AB S5 minimum for consideration	AAAB / ABBBB prioritised offer if meet additional requirements
Adjusted Additional Requirements	<p>Higher English and a Higher Humanities subject at Grade B.</p> <p>Applicants to Business Economics/Economics must have Higher English and Higher Mathematics at Grade B OR Grade C plus Maths Summer School.</p> <p>Applicants to Mathematics or Computing Science or any degree combination that includes these subjects must also meet the relevant requirements in the Science (BSc) table on page 13.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p>		

* Due to high demand, if you wish to be considered for International Relations, Politics or Business Economics you must apply using a UCAS code for each individual subject. Degrees and joint degrees that include these subjects may require higher entry grades due to high demand.

Teaching: Education with Primary Teaching Qualification (MEduc)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABBB S5 minimum for consideration	AAAB
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBB prioritised offer if meet additional requirements Considered at BBBB	No minimum at S5	AABB / ABBBB prioritised offer if meet additional requirements. Considered at BBBB
Adjusted Additional Requirements	<p>Higher English at Grade B.</p> <p>National 5 Mathematics or National 5 Application of Mathematics at Grade B.</p> <p>Interview.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p> <p>Applicants who successfully complete the Access to a Career in Teaching Programme also have to attend and pass either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p>		

Teaching: Primary Education with Teaching Qualification (MA) (Dumfries Campus)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	No minimum at S5	AAB/ABBB
Adjusted Higher requirements: SIMD deciles 1-2, deciles 3-4, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Additional Requirements	<p>Higher English at Grade B.</p> <p>National 5 Mathematics or Application of Mathematics at Grade C.</p> <p>Interview.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p>		

Teaching: Design & Technology Education (MTechEd)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABBB S5 minimum for consideration	AAAB
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	BBBB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AABB / ABBBB prioritised offer if meet additional requirements. Considered at BBBB	No minimum at S5	AABB / ABBBB prioritised offer if meet additional requirements. Considered at BBBB
Adjusted Additional Requirements	<p>Higher English at Grade C, a Higher Science subject and National 5 Mathematics or Application of Mathematics at Grade B.</p> <p>Interview.</p> <p>Successful completion and grades in either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.</p>		

Veterinary Biosciences (BSc)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	n/a	ABBB S5 minimum for consideration	AAAAA / AAAA + B Advanced Higher.
Adjusted Higher requirements: SIMD deciles 1-2, care experience, estranged, carer, asylum seeker, refugee	AAAA / AAABB guaranteed offer if meet additional requirements	No minimum at S5	BBBB guaranteed offer if meet additional requirements
Adjusted Higher requirements: SIMD deciles 3-4	AAAA / AAABB prioritised offer if meet additional requirements	No minimum at S5	AABB / ABBBB prioritised offer if meet additional requirements
Adjusted Additional Requirements	Higher Chemistry or Biology. Successful completion of either the Top-Up Programme, Summer School, University Experience Week or Sutton Trust Summer School.		

Veterinary Medicine & Surgery (BVMS)

Qualification	End of S5 Entry requirements	S5 MINIMUM Entry requirements	End of S6 Entry requirements
Standard Higher requirements	No Entry from S5	AAAAB	AAAAB Higher at end of S5 + BB Advanced Higher
Adjusted Higher requirements: SIMD deciles 1-2, deciles 3-4, care experience, estranged, carer, asylum seeker, refugee	Highers: AABBB by the end of S5 to include: <ul style="list-style-type: none"> Chemistry Biology or Human Biology Mathematics, Applications of Mathematics, or Physics. Advanced Highers: BB to include: <ul style="list-style-type: none"> Chemistry Biology, Mathematics or Physics. Advanced Higher Biology is recommended as this would be beneficial for the first year of the course. These results will allow the applicant to be interviewed. Applicants who are successful at interview will be made Conditional Offers based on S6 results.		
Adjusted Additional Requirements	There are no reductions to the Grades in Higher Requirements noted above. However, as this degree requires Advanced Highers, some concessions may be made to the S6 Grades required for applicants who are successful at interview. These will be considered on a case by case basis. Successful completion and grades in the Reach Programme.		

All tables show indicative entry requirements which were correct at the time of going to print.

FURTHER INFORMATION

This publication is intended to help you choose your programme of study at the University of Glasgow. Every effort has been made to ensure the accuracy of the information contained within this publication but it is subject to change without notice. If there is any conflict or ambiguity between information contained in this publication and the student contract (see below), then the student contract will prevail.

THE STUDENT CONTRACT

By accepting an offer from the University of Glasgow, each student enters into a student contract with the University. The student contract is made up of the terms of the offer, the student terms and conditions and the University Regulations. The student terms and conditions and University Regulations can be found on the University website at glasgow.ac.uk/studentcontract.

The student contract sets out: the terms on which the University will provide the relevant programme or course; the University's Regulations with which students must comply; students' other obligations to the University, our staff, and to fellow students; how the contract may be changed or ended; what to do if there is a problem; and other important information.

CHANGES POST PUBLICATION

This guide was published circa 18 months prior to the academic year to which it relates. Any changes such as newly announced courses of study or changes to contact details will be updated on our website.

Changes may be made to entry requirements post publication of this guide. These changes will be updated on our website. You should check our website for entry requirements at point of application.

VALIDATED INSTITUTIONS

The University is proud of its association and validation relationship with two independent institutions: The Glasgow School of Art and Edinburgh Theological Seminary. If you apply for a programme at one of these institutions, you will be registered with that institution and will pursue your studies there, but your final degree will be conferred by the University of Glasgow.

Applications to one of the validated institutions should be made to the institution concerned and not to the University.

As a student of a validated institution, you are deemed to be an "associate student" of the University which entitles you to access certain University facilities. For further details of the facilities available to you please contact the institution concerned.
